If Abortion Is Banned in Ohio, Seekers Would Have To Drive 157 to 269 Miles

Payal Chakraborty, Harvard Medical School
Danielle Bessett, University of Cincinnati-Main Campus

Abortion is legal in Ohio, yet legislators continue to chip away at abortion access in the state.

The entire country is awaiting the U.S. Supreme Court decision in [Dobbs v. Jackson Women's Health Organization](#) — a case that could ultimately overturn [Roe v. Wade](#).
